You, Stronger.
You can be assured our commitment to you isn’t built on four strong pillars. It’s built on nine.
In our humble opinion, financial strength looks good on us.

Our ratings are worth 1,000 words. It's one thing for us to tell you how great we are, and it's another thing to hear it from the mouths of top industry rating organizations.¹

And, we're one of only 8 life/health insurers to maintain an A.M. Best rating of A or higher for over 90 years.

Our dividend action history speaks volumes. Although dividends are never guaranteed, we're happy to say we've been paying income-tax-free dividends to eligible whole life policyholders for our entire history. Not to mention, we have one of the strongest dividend action histories over the past 20 years.²

We live up to our mutual name. We're a leading mutual company with a longstanding history of proven financial strength. We keep our focus on long-term success, which is a big reason we're able to keep our promises to policyholders. At the same time, we remain nimble and can easily adapt to changing circumstances.
