# You've got that gene that makes you plan ahead. We love that.

You want to make sure your family or business is taken care of because it's the responsible thing to do. **Guaranteed Protection Universal Life** is permanent life insurance that provides guaranteed death benefit protection for what matters most.<sup>1</sup> That means less worry about the mortgage getting paid, funding a loved one's college education or helping your family live out their dreams in the future (in addition to taking care of the regular day-to-day stuff).

<sup>1</sup>All guarantees are based on the claims-paying ability of the issuer.

## Lifetime Protection For Them

Your policy's death benefit is guaranteed for life—and paid to your beneficiaries income-tax-free, without them having to wait for your estate to be settled.

## A Safety Net For You

Your policy has the potential to accumulate a small amount of cash value that you can tap into in the event of an emergency. Accessing the cash value will affect your policy's death benefit, but if you ever need it, you'll be glad it's there.<sup>1</sup>

<sup>1</sup>Accessing cash value will reduce your policy death benefit and values, may result in certain fees and charges and may require additional premium payments to maintain coverage. Ask your financial professional for details on accessing your cash value, including how it might impact the coverage guarantees and situations when the values you access could be taxable. Always consult your tax advisor before accessing a policy's cash value.

## Payment Flexibility

You can choose the payment schedule that works best for you.

- Make fixed payments based on the amount and schedule you set, so there won't be any surprise increases.
- Pay up your policy early, which may help lower the overall cost in certain cases.
- Skip or delay payments, as long as your policy has enough cash value to cover the required payments.

## Personalized Protection, If You Want It

If you're looking for more than what a basic policy provides, you can choose from a wide selection of optional benefits. You can see the full list of benefits here:
